A Letter from Pastor Teeple

Dear friends in Christ,

April is here, and with it comes the most sacred and joy-filled week of the entire Christian year—Holy Week! This month, everything we do as a church centers around the life, death, and resurrection of our Lord and Savior, Jesus Christ. Holy Week is not just a series of services—it is the very heartbeat of our faith, drawing us deeper into the love of Christ and the power of His victory over sin and death.

Join Us for Holy Week Worship

We invite you to walk with us through this powerful week:

- Palm Sunday (April 13) – We begin with shouts of “Hosanna!” as we remember Jesus’ triumphant entry into Jerusalem (Matthew 21:9).
- Maundy Thursday (April 17) – We gather to remember the Last Supper, where Jesus gave us the great commandment to love one another (John 13:34).
- Good Friday (April 18) – A solemn time of reflection as we remember the sacrifice of Christ on the cross, given for us (Isaiah 53:5).
- Easter Sunday (April 20) – The pinnacle of our celebration! He is risen! Death has been defeated, and we rejoice in the resurrection of our Lord (Luke 24:6-7).

This Holy Week, I encourage you to set aside time to worship, reflect, and experience the depth of God’s love. Whether you have attended every year or this will be your first time, these services will bless you in ways beyond measure. Let us come together in faith, knowing that through the death and resurrection of Jesus, we have been given new life and hope that never fades.

A Warm Welcome to Our Returning Snowbirds!

We are also thrilled to welcome back all of our church family members who have been away for the winter! As spring begins to unfold and the world around us bursts into new life, we are reminded of the renewal we have in Christ. Just as the changing seasons bring fresh beginnings, so does our faith in the risen Savior. Whether you’ve been worshiping from afar or have been waiting to return, know that you have been missed, and we rejoice to have you back in our midst.

A New Blessing to Celebrate!

Speaking of blessings, we are overjoyed at the wonderful news that Pastor Rudolph and Tirzah are welcoming their beautiful baby girl into the world! We give thanks to God for this precious gift of life, and we cannot wait to meet her! “Children are a heritage from the Lord, offspring a reward from Him” (Psalm 127:3). In the coming weeks, let’s shower them with love, prayers, and all the support that a church family can offer. Stay tuned for an opportunity to greet this sweet little one in person!

Looking Forward in Christ

As we move through April and celebrate the risen Christ, let us remember that His resurrection is not just a historical event—it is an invitation to live in the light of renewal and hope each day. Just as Jesus conquered death, we too are called to walk in newness of life (Romans 6:4). No matter what trials or struggles we face, the empty tomb reminds us that our future is secure in Him. Not only do we have the promise of renewal in this life, but we also have the assurance of eternal life with Him one day. “Because I live, you also will live” (John 14:19). What a wonderful assurance and hope we have in our risen Savior!

As we journey together through this season, may our hearts be lifted by the joy of Easter and the promise of Christ’s unfailing love. I look forward to seeing you all in worship and celebrating the victory of our Lord together! All peace to you in Jesus Christ.

Pastor Jeff Teeple

A Letter from Pastor Rudolph

What shall we say then? Are we to continue in sin that grace may abound? By no means! How can we who died to sin still live in it? Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death? We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life. (Romans 6:1-4)

New life. It's a topic on my mind these days (for obvious reasons). First, Tirzah and I both want to thank everyone who has cared for us, encouraged us, and prayed for us throughout this past year, as we expect our own family's new life, and especially those who participated in the baby shower on the 22nd. We look forward to celebrating her new life with you soon!

For a child, there is a certain way that life looks prior to birth. Then, once the baby is born, there is new life. Yes, there was life before birth just as there is life after birth, but now it is new. There are so many differences between old and new life. The old was more vulnerable even than the new. The old life trusted the voice of a mother it could not see, yet the new life trusts a mother it can see. After a baby is born, it can continue to grow and develop in ways it couldn't before. The baby can learn to walk and talk, things it couldn't do before.

So it is with our new life in Christ. Our lives looked different before Christ intervened. We were conceived and born in sin. By nature, we have no faith or desire to associate with God. There is no bone in us that was not hostile to God. Yet, God chose to intervene and to bring us out of that old life and to give us new life. Through baptism, our second birth, we are transformed from being sinners to being sinners and saints. This can only happen, through Christ, for Christ is the inflection point between our old lives and our new lives.

Jesus is the one who took His old, perfect life, and gave it up so that we might have new life in Him. He chose to become man, a vulnerable baby both in the womb and out, for the purpose of giving His life to us. He was baptized and connects us to Himself through water and the Word, delivering His grace to babies (young and old) so they might know a new and better life of faith. In order to do this, though, He had to give up His life. He gave up His life on the cross, *Father, into your hands I commit my spirit (Luke 23:46)*, knowing that life would be given to us through our own baptism. Through God's command in and with the water, we sinners receive new life through the death of His own Son. We share in His death, His burial, and His resurrection, all in that one miraculous moment!

Now we walk as new people, seeking to live outwardly the truth that we have been given to us inwardly. Every action we do is meant to display the faith that lives in us through Christ's Spirit. But even when we fail to live up to this new life in us, we look back to our baptism where the promises of forgiveness, life, and salvation reassure us and comfort us. These promises point us back to Christ's death and resurrection, where our new life was bought and paid for. Yet these promises also point forward to the day when Christ comes back once and for all. On that day, we will receive new life once again. We will receive a new and better life which no longer sits in the shadow of death, but looks toward life eternal with our Lord.

A Note from the Business Administrator

Mortgage update:

We are well into our third and final year of our Capital Campaign, so I thought an update might be beneficial. During this construction loan phase, we have been making interest-only payments (at a rate of 6%). We have also been allowed to make payments to lower our principal (thereby lowering our monthly interest payments). As of right now, our principal is down to \$394,821.00, and our February interest payment was \$2017.79. We have until December, 2025 to convert the construction loan to a mortgage, at which time our monthly mortgage payment will be calculated.

Online giving:

Have you wondered how our online giving works? Do you have travel plans and want alternative ways to contribute to Peace? This can be done through our website and can be set up as recurring or one-time contributions. You can also set it up to be taken from your checking account (as an ACH payment) or charged to a credit card.

If this is something that interests you but maneuvering through our website has proven to be a challenge, please reach out to Kristin McGee (495-4306 ext. 304 or admin@plcms.org), she will be happy to walk you through the process (either in-person or by phone).

Voters Meeting Scheduled

Peace's Voters Meeting will take place on Sunday, April 27 between worship services to vote on proposed changes to the by-laws.

Copies of the proposed by-laws with rationale for the changes will be available on the information desk starting Sunday, April 6.

STEPHEN MINISTRY

A Question Asked, An Answer Given

QUESTION: I have a friend (or family member) who is going through a difficult time and would love to see her/him receive the loving care and compassion of a Stephen Minister. How do I proceed from here?

ANSWER: First of all, praise God that you are a caring person whose antenna is up to the needs of others and have the desire to lead a friend towards receiving the blessing of a Stephen Minister in their life.

Share what you know about Stephen Ministry with the individual. Pray that the Holy Spirit will guide your conversation in love and concern. Get permission to give his/her name and phone number to one of our Stephen Leaders so they can continue to pave the way to a possible interview with the potential care receiver. Then pray again that God would bless this process as it proceeds, all glory given to Him.

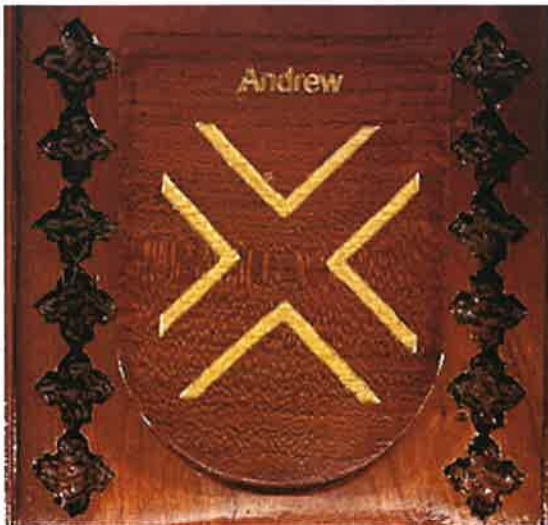

So now you have it! Save this article and use it as part of your service to God and our Peace family, living out our mission statement, as friendly people... caring for each other.

Pastor Teeple, Rick Kirkton, Ellen Luepke

The Old Chancel Cross: *The Shield of St. Andrew*

The shield of St. Andrew is a powerful symbol of faith, sacrifice, and discipleship. Traditionally, it features a diagonal cross, known as the Cross of St. Andrew. This distinctive cross represents the manner in which St. Andrew, one of Jesus' twelve apostles, was martyred. According to tradition, he considered himself unworthy to be crucified in the same manner as Christ and was instead bound to an X-shaped cross.

The Cross of St. Andrew is also a sign of humility and unwavering faith in the face of persecution. As Jesus taught in Luke 9:23, "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me." St. Andrew's shield encourages believers to stand firm in their faith, even in times of trial, and to embrace the mission of spreading the love of Christ.

Through its design, the shield of St. Andrew serves as both a reminder of his faithful witness and an inspiration for all who seek to follow Jesus with courage and devotion.

DOVE Tales

Praise be to the God and Father of our Lord Jesus Christ! In His great mercy He has given us new birth into a living hope through the resurrection of Jesus Christ. . . 1 John 1:3 NIV

Dear Friends,

Snow, rain, ice – Team Dove was busy through it all. I hope sunshine makes sleepy buds bloom on trees and flowers jump out of the ground – I love smelling Spring! It has been dark and cold like Lent and the Tomb but we have living hope at Easter because Jesus lives!

There was a young boy I met in March. He rubbed my back his whole visit. His father has to work out of town two weeks at a time and the boy misses him soooo much. I'm glad I can give him comfort and hope through this tough time. It must be kind of like us if we feel far from God.

Handler training was great! Guess what? Out of all the comfort dogs the trainer chose ME to teach handlers how to correct a dog going after something it shouldn't have. A few times someone successfully wrangled the "something" out of my mouth but sometimes nobody could. And then, at our hotel, we had to walk down a narrow hall to dinner. One evening there was a gorgeous wedding reception with rose petals on the floor, food on tables, and ladies in long gowns. Poor Jean, Kim, and Mark. They had a hard time keeping me headed towards dinner. I try to leave tissues, leaves, gloves, food, gum, all the tempting stuff alone. It's hard, though. I LOVE FOOD and NAPKINS and TISSUES and GUM! I guess a dog can sin, too. Still, the Team loves me and God loves us all, even when we goof up.

This IS the living hope – Jesus who lives and saves us from our sins! See you at church (and let's all TRY to resist temptation)!

Love,
Dove

HEARTS OF MERCY AND COMPASSION

On Monday, March 17, members of our Hearts of Mercy & Compassion team deployed to St. John Lutheran Church (Flatrock) located in the close-knit farming community of Monroeville, IN. The team arrived to offer comfort and support to a local student grieving the sudden loss of her father and present her with a Heart of Mercy & Compassion inscribed with the powerful scripture Matthew 5:4: “Blessed are those who mourn, for they will be comforted.” Over 40 classmates, teachers and administrative staff signed the Heart before it was presented.

The Comfort Dog Team was also present with Dove, offering additional comfort to both students and staff, ensuring that no one in the community felt alone in their grief.

Hearts of Mercy and Compassion (HMC) Crosses for Losses provides a physical and spiritual symbol through the giving of Hearts to individuals, families and friends who have suffered a loss or are experiencing the illness of a loved one. An HMC can also be given to celebrate a victory, honor service, as an expression of love, or to be an encouragement in the face of adversity.

If you are aware of an individual or family that would appreciate receiving a Heart, application forms are available here at Peace, behind the information desk. Completed forms may be submitted to Pastor Teeple or Pastor Rudolph.

"How Does Your Garden Grow?"

By Don Luepke

Spring, 2025

As I write this and look into the sky, the sun is shining brightly and there is hope that spring is coming soon. Today found me potting up dahlia tubers in anticipation of those magnificent summer colors. Yes, they have to start growing indoors but at least they are in the soil.

I bought new variety this year, just because of the name, called "Smiling Don". We will see how it turns

out. Regardless, all of us who are intrigued by the the soil and growing plants are certainly ready. There are no better optimists than gardeners. When your hands get dirty in the soil, you just have to grow closer to your Creator.

And so we begin the thirteenth year of "Garden of Peace: The Growing Place." Again, the first portion of the name identifies who and what we are and the second why we exist, as we grow both physically and spiritually. This is a unique ministry of Peace Lutheran to help church and community members experience the joy of gardening and to share the fruits of the harvest with others. We again want to continue our motto from last year year: "Grow a Row for Those in Need." The first fruits need to go to God and His people. (Pastor Rudolph already has claimed my first ripe tomato!)

And so it is time once again to sign up for a plot. There is no fee or cost involved but note: if you request a plot, it is necessary that you make the commitment to maintain the assigned garden area throughout the entire growing season. Priority in assignments will be given to gardeners who have had plots in prior years as they have worked to develop a particular area.

What we need now is a list of all those who wish to have a garden plot for the season. Each plot is approximately 10' by 18'. If you wish to reserve an area, you need to sign up in one of two ways:

1) Use the sign-up sheet that is available at the Information Desk at the east entrance of the church or 2) contact Garden Mentor Don Luepke via email at donluepke@juno.com and give your name, e-mail address, and telephone number and if you were a gardener last year indicate if you wish the same plot. We ask that this be done by

Sunday, April 6, so that we can develop our organizational plan.

We also want to be able to reach out to members of the lakes community and perhaps mentor them in establishing a garden and producing food and flowers for their homes. If you know of someone outside of our church family please let them know. It's a matter of mission and ministry. After all we are Peace Lutheran Church: "Friendly People – Growing in Christ, Called to Praise and Proclaim, Learn and Love, Care and Celebrate!"

As always, let's get growing!
