A Letter from Pastor Teeple

Dear friends in Christ,

Summer has arrived! The warmth of the sun, the laughter echoing from the lakes, and the joyful reunion with our seasonal friends all remind us of God's abundant goodness. Whether you're here year-round or just returning to your lake home, welcome! You are a cherished part of our church family, and we are so glad to see your familiar faces in the pews again.

These summer months are a sacred season not just of recreation, but of renewal—in nature, in relationships, and in our walk with God. While many schedules shift and slow during this time, the Spirit of God continues to move powerfully among us.

Our calendar in June is graced with several profound celebrations:

- **June 1 – Ascension of Christ:** This day reminds us that Jesus, having completed His work on earth, is now exalted and reigns over all. He is not distant—He is present with us through His Spirit, guiding and interceding for us.
- **June 8 – Feast of Pentecost:** We rejoice in the gift of the Holy Spirit and the birth of the Church. Red flames and dove imagery remind us that God's fire still burns within us—uniting, empowering, and sending us out.
- **June 15 – Holy Trinity Sunday:** On this day, we stand in awe before the mystery of our triune God—Father, Son, and Holy Spirit—three in one, perfect in unity and love. Let it be a time for renewed wonder and deepened faith.

Then, in July, we look forward to **July 6 – National Blessings Sunday**, a special service to give thanks for the freedoms we enjoy and to pray for our nation, its leaders, and the well-being of all. Let us celebrate our civic blessings as people who know that true liberty comes from Christ alone.

While travel and rest are part of a healthy rhythm, I lovingly encourage you to remain active in worship this summer. Whether you're here in person, tuning in online, or visiting another congregation while away, continue gathering with the Body of Christ. Our faith is a lifelong journey, and the road is best walked together.

We're also delighted to welcome back our "lake people"—those who join us seasonally during the warmer months. Your presence enriches our community, and we pray this will be a summer of peace, connection, and spiritual growth for you.

We're incredibly proud of our **Youth Group, who will be traveling to New Orleans in mid-July for the National Youth Gathering**. This life-changing event brings together thousands of young believers from across the country to worship, serve, and grow in their faith. Please keep our students and leaders in your prayers—for safety, unity, and deep spiritual impact.

Please note that during the summer months of June and July, our **church office will be open on a reduced schedule: Monday through Thursday, 8:00 a.m. – Noon**. This gives our staff a chance to recharge while still being here to serve you. As always, pastoral care is available anytime—just reach out.

Whether your summer is filled with road trips or rolling waves, may it be a season of joy in the Lord. Let the beauty of God's creation draw you to worship, the quiet moments invite you to prayer, and our times together—whether in the sanctuary, at the lakeshore, or in fellowship—remind you how dearly you are loved.

Peace to you all in Jesus Christ.

Pastor Jeff Teeple

"The Lord will watch over your coming and going both now and forevermore." – Psalm 121:8

A Letter from Pastor Rudolph

Then Noah built an altar to the LORD and took some of every clean animal and some of every clean bird and offered burnt offerings on the altar. And when the LORD smelled the pleasing aroma, the LORD said in his heart, "I will never again curse the ground because of man, for the intention of man's heart is evil from his youth. Neither will I ever again strike down every living creature as I have done. While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall never cease." - Genesis 8:22

The seasons come and the seasons go, but the Word of the LORD endures forever. This Word, given to Noah after the flood, is a promise. After God receives the sacrifice, His wrath is turned away from sinful mankind. So it is with Christ, the Final Sacrifice, who gave His life on the cross to be the "pleasing aroma" that turns away God's anger from us. Through Christ's sacrifice, the "clean animal" who has no defect, we are made "clean" and pleasing to the LORD as well, living lives pleasing to God and giving sacrifices, not of animals, but of thanksgiving and praise to Him.

This promise from the Word of God will endure forever. Along with this promise, though, remains the structure of seasons. Summer, as we are entering now, will alternate with Winter until the day when our LORD comes back and ushers in the New Heavens and the New Earth. Until then, our lives will revolve around the changing of the seasons.

And so it is here at Peace. Bible Studies take a break, Wee Creations shifts into summer-mode, and Pastors take a break. Just as most of you will be in and out of Peace with vacations and other activities, so also I want to give you a heads up regarding the many ways ministry will change temporarily in June and July.

- Memorial Day: I will be heading to Minnesota to see family and attend a few weddings from 5/26-6/8.
- June 26th: I will be heading to Concordia University in Ann Arbor, Michigan for the District Convention of the English District of the LCMS.
- July 9th-10th: I will be out of the office (on my typical days of Wednesday-Thursday) but will be in the office July 11th -12th (Friday and Saturday).
- July 13th: I will be preaching at Camp Lutherhaven's Sunday Worship Service (open to the public) and staying to help with their Youth Ministry and All Nations Outreach.
- July 18th -23rd: I will leave Camp Lutherhaven and join the Peace Youth Group as it heads to New Orleans for the National Youth Gathering.

Seasons come and seasons go, but the Word of the LORD endures forever. When Summer turns to fall, the routine will come back. It will be a busy summer of ministry here, so keep informed and keep involved, whether this season keeps you here or brings you elsewhere. But wherever you go, remember and trust in God's promise that *I am with you always, even to the end of the age.* - Matthew 28:20

The Shield of St. Bartholomew: A Symbol of Faith and Witness

This shield stands as a powerful emblem of faith, sacrifice, and unwavering discipleship. St. Bartholomew's shield traditionally features three playing knives—sometimes crossed or shown with a human skin—symbols tied to the manner of his martyrdom.

St. Bartholomew, one of the twelve apostles, is the same person as Nathanael, who is mentioned in the Gospel of John. While “Bartholomew” (meaning son of Tolmai) is the name used in the Synoptic Gospels and Acts, “Nathanael” (meaning God has given) is his name in John’s Gospel. In John’s Gospel he is introduced by Philip and comes to believe in Jesus after a striking encounter (John 1:43-51). This connection deepens our understanding of the man behind the symbol—one who moved from honest skepticism to bold proclamation.

According to tradition, Bartholomew carried the Gospel to far regions such as Armenia, India, and Mesopotamia. His bold witness to Christ ultimately led to his martyrdom by flaying. Though the imagery on his shield is stark, it speaks of a deeper truth: the knife is not only a tool of suffering, but a symbol of faithful endurance and spiritual triumph.

Bartholomew’s shield challenges us to consider the cost of discipleship and the courage required to live out our faith in a skeptical world. As we reflect on his legacy, may we be inspired to follow Christ with the same devotion, integrity, and boldness.

DOVE TALES

Romans 12:15 NIV: "Rejoice with those who rejoice; mourn with those who mourn."

Oh, my friends, May was so full of promise and joy! There were death, scary finals, lots of tough stuff for humans but then – miracles! Celebrations of Easter, births, graduations (I would have loved to catch a tossed cap or two), Mother's Day, and more–lots of rejoicing!

I had so much fun at Trine University. One day I got to show off my commands for a class. The next night, a student came back to visit me, she had enjoyed my being on her lap so much! Several students were so glad to see me but they didn't want to put down their ice cream. Now, that was a test for me but I was good! It took tremendous restraint, though! Some students were happy to go home for Easter, others couldn't because they lived in Canada or in Switzerland but I cheered them up.

Team Dove took happiness to the hospital and to all the schools. Lots of humans need a break and are happy to see me. Staff, doctors, nurses, teachers, patients, families, students –we brought them smiles while waiting for test results, finals, endings, and beginnings. I met an older boy who sat down next to me, softly stroking behind my ears and up my nose. He asked for my cards to give his brothers and sisters at home. He was so quiet and gentle. Another student was sad because his grandmother had died. One more especially needed my comfort and I crawled up into his lap.

This month people will be full of joy and celebrating but some will have hearts full of sadness. We'll be ready as Team Dove to help people rejoice or to mourn. That's one reason why God gives us each other!

Look for me to pop up somewhere near you this month, but please, don't tempt me with ice cream!!!

Love,

Dove

HEARTS OF MERCY AND COMPASSION

Over the past few months, Peace Lutheran Church's Hearts of Mercy and Compassion (HMC) team has been very busy. They have been rejoicing with those receiving spiritual rebirth through baptism and offering meaningful support and encouragement to those experiencing challenges.

On behalf of the congregation, HMC gifted a heart to Pastor and Tirzah Rudolph in honor of their daughter, Hope's, baptism on Sunday, April 27. This heart was the first baptismal heart to be gifted by the Peace congregation, and symbolizes love, hope, and God's saving grace.

Another baptism was celebrated on Sunday, May 18. Kane Bontrager, son of Amanda and grandson of Ron and Susan Lovell, was gifted a heart in honor of his baptism. What a beautiful expression of faith and a touching reminder of the new life we have in Christ!

A heart was also gifted to Ken and Annette Hullinger to offer encouragement following their involvement in a serious auto accident and extended recovery. Originally gifted to Annette at her home on Monday, May 19, she was able to share the heart with Ken later that evening.

If you are aware of an individual or family that would appreciate receiving a Heart, application forms are available here at Peace, behind the information desk. Completed forms may be submitted to Pastor Teeple or Pastor Rudolph and then shared with the HMC team.

LWM Almsgiving Project

Strengthening Mental Health in the Summer

Article information from:

<https://centerstone.org/our-resources/health-wellness/strengthening-mental-health-in-summer/>

How Summer Affects Mental Health

One of the main ways the summer can help with mental health is through the sunshine. Because of the warmer weather, many of us spend more time outdoors in the summer, plus the sun is out for longer than in other seasons.

The increased sun exposure boosts our vitamin D levels, and can even improve mood, leading to better mental health. Spending time in the sun also helps your body produce more melatonin (sleep hormone) at night, allowing you to sleep better and overall feel better.

While there are some stressors unique to summer, such as feeling overwhelmed by the amount of activities and getting less sleep, it is a good time for most people's mental health. Therefore, it is a good time to set habits and prepare for the coming months that are colder and less energizing.

Forming Habits

- Set boundaries. You don't have to say yes to every opportunity you are presented with. Seek out the activities and plans that seem the best to you and take breaks when you need them.
- Set a sleep schedule. Maintaining a consistent sleep schedule can help ensure you get adequate sleep. One possible way to do this is by sleeping with the sun – don't stay up for too long once it is dark outside.
- Engage in physical activity. Improving your physical health can have great benefits on your mental health. With the warmer weather comes more opportunities for outdoor exercise and play. Set a standard for how active you are now so that you will more likely find ways to stay active moving forward.
- Have fun! Making an effort to intentionally improve your mental health is beneficial, but don't let it get in the way of your fun. Setting rhythms, including therapy if needed, are great, but you need to enjoy life too. Find a balance between responsibility and fun!

Centerstone is a nonprofit health system specializing in mental health and substance use disorder treatment for people of all ages. If you find yourself in need of mental health support this summer, Centerstone is here to help. Call us at 1-877-HOPE123 (877-467-3123) or visit centerstone.org/connect-with-us/ to get connected with care.

Peace Lutheran Church also offers resources through the Mental Health Advocates Information cart, located next to the choir loft door.

STEPHEN MINISTRY IS HERE TO HELP

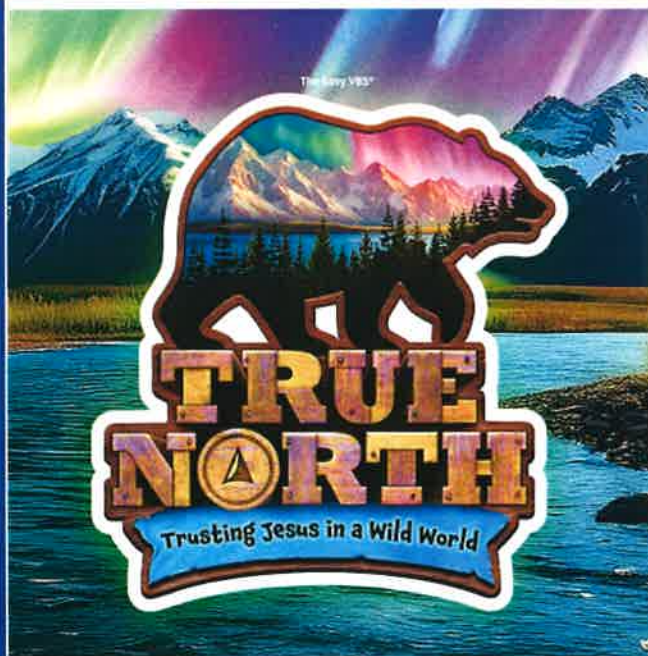

Last month we focused on several life situations that you or someone you know might be experiencing. There are men and women of Stephen Ministry who are trained to be able to walk along side of you in confidentiality, compassion, spiritual strength, care and concern. Our message in May focused on ***grief, major medical crisis, job related crisis, divorce and broken relationships.***

This month we add to that list:

- ***Chronic situations***-long term illness or disability and also the family member who cares for these special needs
- ***End of life or hospice situations***-Stephen Ministers are trained in this area to minister to the dying person and/or loved ones.
- ***Challenges related to military service***-men and women called to service, deployment, and their families. Adjustments upon returning from service.
- ***Major life situations***-including but not limited to: new baby, adoption, parenting a grandchild, blended family, empty nest.

The above examples don't necessarily have to be in crisis mode, but do represent significant change and challenges in a person's life that could result in blessing through the presence of a Stephen Minister in your life or the life of someone you know and care about.

Please take the time to ponder how a Stephen Minister could positively affect your life. They are ready to walk along side of you during this stressful stage. Remember your Stephen Minister is *a* care-giver but God is *the* Care-Giver. Call or speak to one if the Stephen leaders for more information. Stephen Leaders are Pastor Teeple, Rick Kirkton, and Ellen Luepke. You may also leave a note in one of our mailboxes and we will contact you.

PEACE'S WALKING PATH

Did you know that Peace owns the field behind the church and the field to the East of the church? But, did you also know that there is a mowed path all around the perimeter of the field?

This path can be used anytime for walking, running, meditation, prayer, or nature viewing. It is so beautiful in the back near the lake. If you complete the whole perimeter of both fields, it about 1.7 miles. The field to the East is mostly flat terrain, the field behind church is more challenging with hills and valleys.

This path is a great way to exercise your physical body, take a mental break and spend time connecting with our Lord and Savior. We encourage you to park out by the Pavilion and enjoy God's creation anytime!

THE ORIGIN OF FATHER'S DAY

One Sunday in 1909, Sonora Smart Dodd listened to a sermon honoring mothers. Her mother had died some years before, so her father had raised her by himself. Dodd wondered why there wasn't a day to honor fathers, so she arranged a tribute to her father at a church in Spokane, Washington. The date was June 19, 1910. Many people believe this was the beginning of Father's Day.

Another account holds that a West Virginia church held a tribute service for fathers in 1908, following a mine explosion that killed 360 men. Regardless of which story is correct, President Calvin Coolidge was the first president to designate a special day to honor fathers. In 1924, he proclaimed the third Sunday in June as Father's Day.
